

COMMUNITY SUSTAINABILITY ADVOCATE

AWARD DESCRIPTION: This award honors an **INDIVIDUAL** who has served as an advocate for advancing Sustainability initiatives in the Community.

AWARD CRITERIA:

This award will recognize an innovative leader in the green building movement that demonstrates exemplary commitment and achievements in creating a more sustainable future.

This Award is to recognize a person who has provided Sustainability Advocacy Leadership beyond what their job / career duties may be (such as what would be required for the Energy Efficiency Manager for a Corporation or Government entity to do on a day to day basis).
